

Before the invitation goes out

So your guests can find everything with one tap and respond on time.

- ☐ Send the save-the-date digitally and link to the same central page

- ☐ Put the date, time, location, dress code, and RSVP deadline in the first view

- ☐ Move all additional info to the details page

- ☐ Set a specific reply date

- ☐ Schedule a reminder just before the RSVP deadline

- ☐ Make responding require as few clicks as possible

- ☐ Check for large text, clear buttons, and a simple link for all generations
